Again we will have a choir performing Christmas carols intermingled with our sing-along where everyone will be able to participate. And again, Mrs. Straka will guide and lead us on the accordion. Mr. Kunzelmann is looking diligently through all his extended sources to find fitting Christmas stories and poems. Our invitation still stands for all of you to send in your experiences of your first Christmas in Canada, far away from the environment and the surroundings that you knew before you embarked on the long journey to a big new land! We would very much like to participate in your memories, if you would let us.

At intermission the Hotel will serve the now famous Goulash Soup as per Mr. Ebner's private recipe with "Salzstangerl" and our Ladies committee will again delight us with their own homemade cookies "a la Heimat".

This is, as you are all aware, one of our most cherished events and we invite all children and grandchildren again to participate in a traditional Austrian Advent Event. When booking please make sure that you give the name and the age of each child you wish to bring and we will make sure that "Nikolaus" will have a little something for him or her in his basket! No Krampus – I promise!

We look forward to seeing you on the 1st of December!
